2019 AZT Oracle Rumble Recap

Thank you for helping to make the 3rd Annual AZT Oracle Rumble presented by Summit Hut a rousing success! We couldn't have asked for better weather as it was sunny with the low around 30 and the high in the 60's.

This event directly benefits the Arizona Trail Association (ATA), the nonprofit organization whose mission is to protect, maintain, enhance, promote and sustain the Arizona Trail as a unique encounter with the land. The Arizona Trail is a complete non-motorized path, stretching 800 diverse miles across Arizona from Mexico to Utah, connecting deserts, mountains, canyons, forests, communities and people. Please check out the other events in the <u>Arizona Trail running series</u>.

This amazing event is also a huge economic boost for the small town of Oracle, and the relatively unknown Oracle State Park.

As for this year's races, did you know we had runners from four countries (Italy, Great Britain, Canada and the United States), four Canadian provinces and 26 different states?

A hearty congratulations to every runner in every distance who toed the starting line. You are an inspiration and the reason why we spend many hundreds of hours to make this event a great success!

Drop Bags

If you're an ultra runner and didn't have a chance to grab your drop bag before heading home, they are being held at Summit Hut in Oro Valley for the next week. After that time, they'll make their way back to the Arizona Trail Association office in downtown Tucson. If you're willing to pay for shipping, we can mail your stuff back to you.

Volunteers

The trail running community here in Southern Arizona is simply amazing. They showed up by the dozens to volunteer many hundreds of hours to make this event happen and become an amazing experience for runners like you. Since it would probably take an hour to list everyone here we will instead like to give a shout out to some of our key volunteers. However, please note that every single volunteer in this group of more than 100 is valued more than you know. You are all amazing!
