

50 Mile | 50K
Participant Guide
January 25, 2025
Oracle, AZ

Welcome:

Please note that the event will follow all applicable local and regional COVID protocols.

During race week, if you are experiencing any of the common symptoms of COVID do not come out to the race and contact the Race Director. You will be eligible to apply a percentage of your entry to fee to another AZT event or next year's AZT Oracle Rumble event.

We would like to welcome all 50 Mile, 50K runners and their crews to the 8th annual AZT Oracle Rumble presented by Summit Hut. Please thoroughly review this participant guide before race weekend. This guide should answer all of your questions. However, if you have a question that you can't find an answer to here, please do not hesitate to contact us. We look forward to sharing the day with you. We hope that at the end of the day you leave Oracle State Park sharing our collective love for Arizona's wild landscapes and the Arizona National Scenic Trail.

Schedule of Events:

Friday, January 24, 2025

3:00pm-6:00pm - Packet Pickup at Summit Hut (Oro Valley) 7745 N. Oracle Rd.

Saturday, January 25, 2025

5:00am - gates open at Oracle State Park

5:00am-5:30am - Packet pickup and runner check in

5:30am - All drop bags must be in the designated area for delivery to aid stations 5:30am-5:40am - Buses arrive and runners load up

5:45am- Buses will depart for start at Freeman Road Trailhead

6:45am - Buses arrive at the start at Freeman Road Trailhead

7:30am - 50 mile and 50K races begin

Please plan to arrive at OSP no later than 5:15am. You will need time to park (follow the instructions of the parking volunteers**) and find your way to the Group Use Area from which we will be boarding the buses.

Packet Pickup and Check in:

Friday, January 24, 2025 from 3:00 p.m. to 6:00 p.m packet pickup will take place at Summit Hut (Oro Valley). Summit Hut is located in the Oracle Crossings Shopping Center (Suffolk and Oracle) at 7745 N Oracle Rd, 85704.

We very strongly encourage all runners to pick up their packets at packet pickup on Friday before the race. Race morning will be very hectic so picking up your packet ahead of time will make things easier for everyone.

Saturday, January 25, 2025 (race morning) from 5:00-5:30 packet pickup will take place at Oracle State Park in the race staging area. Volunteers and signs will provide clear directions to the staging area from the parking area.

If you are being dropped off at Freeman Road, and have not been to packet pickup, you may get your bib at the start line. Please plan on being at the start no later than 6:45am to do this. Your race shirt will be waiting for you at the finish line. It is up to you to make sure you get this when you finish. We will not be mailing these.

Even if you picked up your packet on Friday you MUST check in at the starting area table race morning so that we have an accurate list of runners on the trail for safety purposes. If you are dropped off at the Freeman Road start you must check in with race officials before starting the race.

We will be checking you in and out of aid stations and if you drop at any point YOU MUST INFORM an aid station worker before you leave the course! This is

extremely important. If you leave the course without telling anyone, we will assume you are still on the course and will come looking for you. We will contact search and rescue if we are still unable to locate you.

Driving Directions to Oracle State Park Staging Area:

Oracle State Park (OSP) is located at 3820 Wildlife Dr., Oracle AZ 85623

From Tucson (via Highway 77):

Take Highway 77 (Oracle Road) north. Continue on Highway 77 as it curves east at Oracle Junction. Turn right off Highway 77 at the Oracle turnoff. Follow the road through Oracle (American Avenue) 2.3 miles to Mt. Lemmon Road. Turn right on Mt. Lemmon Road. Follow it 1.1 miles to the park entrance. The park is located on the left (north) side of Mt. Lemmon Road.

From Phoenix Area (via Highway 79)

Take Highway 79 south (79 passes through Florence). At the junction with Highway 77 turn left (east). Turn right off Highway 77 at the Oracle turnoff. Follow the road through Oracle (America Avenue) 2.3 miles to Mt. Lemmon Road. Turn right on Mt. Lemmon Road. Follow it 1.1 miles to the park entrance. The park is located on the left (north) side of Mt. Lemmon Road.

Parking:

Parking is limited so please *CARPOOL, CARPOOL, CARPOOL!*

Parking for the event is along the camp road within Oracle State Park (OSP). Volunteers will be on site to direct you. After you enter OSP drive down the main road until you see a volunteer with a safety vest and flashlight. Please follow their directions and park only where directed. If you are dropping a runner off, the volunteer will direct you to a different area. A short walk will take you to the Group Use Area for registration, bus boarding and various start line information. All events finish at the Group Use Site.

Transportation to the Start:

We will provide bus transportation for all registered 50M and 50K runners from the Group Use Area in Oracle State Park to the start line at Freeman Road Trailhead. We encourage all runners to take advantage of this service since there will be no parking at the start nor transport back to the start after the race. Buses will arrive and begin loading at 5:30am and will depart at 5:40am for the the start. Please be sure you have left any drop bags you may have in the appropriate designated area. Remember, you can leave a drop bag with your warm pre race clothes at the start and it will be returned to the finish area for you.

There will be no parking provided at the start of the 50 mile and 50k events. Nor will we provide transportation back to the start after the race. You may have your crew drop you off at the start of the 50M and 50K on the Freeman Road Trailhead but cars may not be parked there. No Exceptions!

Directions to Freeman Road Trailhead north of Oracle on the AZT

Travel to the Freeman Road Trailhead requires traveling on a dirt road. Freeman Road is regularly maintained and usually easily traveled but conditions can change drastically without notice due to weather or other unforeseen events. This being said, if you opt to be dropped off at the start please give yourself plenty of extra driving time and drive with care.

From Tucson - Option 1:

Head north on Highway 77 (Oracle Rd) until you get to Willow Springs Rd on the left before you get to the town of Oracle. If you type "willow springs road and 77" into Google Maps it will take you to that intersection.

Follow Willow Springs Rd all the way to Freeman Road and turn right. The Arizona Trailhead is on the left at milepost 19.5. Type "Arizona Trail Trailhead Freeman Road" into Google maps if you need more details.

From Tucson - Option 2:

From the intersection of Hwys 77 and 79 (Oracle Junction), drive north on Hwy 79 toward Florence. At milepost 111.8, turn right/east on Freeman Road (dirt). After 14 miles, continue past Barkerville Road which joins from the left (north). At approximately 15.5 miles, notice the sign for Willow Springs Road entering from the right (south), but bear left and continue on Freeman Road. Note Haydon Ranch road on the left (north) at approximately milepost 16.8. You will see the Arizona Trail Trailhead at milepost 19.5.

From Tucson - Option 3:

From Oracle, drive north on Hwy 77 to the town of Dudleyville. Turn left (west) on Dudleyville Road to the center of the community and locate San Pedro Road. Head west on San Pedro Road, where the road soon turns to dirt. Cross the San Pedro River (usually dry or very shallow**) and then turn north at intersection and follow road north along the river (Camino Rio Road) for 0.5 mile. Turn left (west) on Freeman Road. Cross railroad tracks and continue for approximately 12 miles to the west. Freeman Road Trailhead will be on your right.

** It is not uncommon that crossing the San Pedro River is not possible, even in a 4 wheel drive vehicle. This is why we don't recommend this option.

From Phoenix area:

If coming from the north/ Phoenix area take highway 79 south from Florence. At Milepost 111.8 turn left/east on Freeman Road and follow the directions above.

Race and Park Rules:

- Rule number one. Have fun, take in the views, smile, and be kind to those you meet along the way.
- There will be **NO** pacers allowed for the 50K unless they are registered participants.
- Pacers are allowed for the 50M event under the rules specified on page 12.
- You must stay on course at all times. If you leave the course for any reason (including taking a wrong turn) you must return to the course at the same point at which you left it. Failure to do so will be grounds for immediate disqualification.
- **Bib numbers** must be worn on the **FRONT** of the body and be **FULLY visible** at all times. Some find pinning the number to their shorts is best when layers of clothes may be put on and off throughout the day.
- **Littering of any kind is prohibited. Leave no trace.** Please respect the natural beauty of these trails and help to ensure our continued use of them by disposing of trash at aid stations.
- Pets are not allowed on the race course, and are not allowed on most trails within OSP. Pets are welcome around the finish line but must be leashed at all times.
- Each runner **MUST** check in **AND** out of all aid stations with designated personnel.
- If you are unable to finish the race you **MUST** immediately notify the appropriate race personnel at an aid station or finish line as quickly as possible **BEFORE** you leave the course!.
- The Arizona Trail is open to other trail users during the race. You may meet hikers, horses or mountain bikes during the day. Please share the trail and be courteous to those you meet along the way.
- Crew members must follow all race rules and may only meet their runner at designated crew access points. Crew access is permitted at Tiger Mine Rd aid station and American Flag Ranch aid station **ONLY**.
- Runners are responsible for the actions of their crew.
- **Cutoff times will be strictly enforced. Runners MUST depart an aid station**

BEFORE the cutoff time. This is for your safety and for that of our many volunteers.

- Aid station captains have the authority to act on the behalf of the AZT Oracle Rumble race management.
- The Race Director has the final say in all decisions.

Restroom and Trail Etiquette:

There will be port-o-potties at the start of the 50 Miler and 50K at the Freeman Road Trailhead, Tiger Mine aid station and Kannally Wash. At all other Aid Stations for the 50 Mile and 50K, there will be small portable toilets for use. Nature potty is always an option but you **MUST** pack out your toilet paper (**yes we're serious**). Do not leave any trash on the trail. We want to make sure we have minimal impact on the AZT and the trail corridor. Anyone caught littering will be automatically disqualified. We will provide small plastic bags at packet pickup and have extras at each aid station so that you can pack out your toilet paper to the next aid station.

Course:

This is southwestern desert trail running at its finest. All listed distances are approximate. We do promise you boundless natural beauty, a challenging well-marked course, and supportive volunteers along the way. There will be highly runnable surfaces and some moderately technical terrain. Expect lots of singletrack, some sandy washes and many rocks. Pay attention to the trail as you run, be safe, and take time to enjoy the wide open vistas all that is around you. Smile.

The 50 mile and 50k races will both start at the Freeman Road Trailhead and will share the first 29 miles of trail all the way to the Cherry Valley Wash on the east side of the culvert crossing beneath Highway 77.

The race begins in the parking area of the Freeman Road Trailhead. Runners will take a quick left out of the parking area and head east on Freeman Road for about 1/4 mile before crossing a cattle guard. Just beyond the cattle guard you will intersect with the Arizona Trail, taking a right onto a small double track road. From here runners will make their way south covering the entire well marked Black Hills Passage of the Arizona Trail. Your journey will twist and turn its way south by first making its way around Antelope Peak as you push onward toward the mighty Santa Catalina Mountains in the distance. You will traverse ridges, sandy washes and unique rock formations running mostly on single track trails. You can expect to see cattle tanks, windmills and probably a cow or two along the way. There are many cattle gates along the route. Our hope is that our bike patrol will get out ahead of you to open these up and our sweeps will close them when they pass through at the tail end of the field.

After about 7.8 miles the trail will enter Putnam Wash. Beehive Well Aid Station (mile 8.2) is just ahead. A windmill marks the spot where you will find a stocked aid station and portable toilet.

Leaving Beehive Well and enjoy the last of the overall 12 mile downhill section of the course. From there it will take a bit of climbing to get to Mountain View Aid Station (mile 15.4) where you will find a well-stocked aid station, portable toilet and your first drop bags.

At mile 23.1 you will reach a minor, remote aid station, at Tucson Wash. Here you will be able to refill water and energy drink before your push through this, and four more large washes before arriving at the next aid station.

At mile 27.7 you will arrive at a large parking area and trailhead on Old Tiger Road and the Tiger Mine aid station. Tiger Mine aid station will be the first spot along the course where you can see your crew. You will also find a well-stocked aid station, drop bags and port-o-potties here.

Upon reaching Tiger Mine aid station you will have completed the Black Hills Passage of the Arizona Trail.

You will now be on the Oracle Passage of the AZT. And, you will get a break from singletrack trail as you make your way downhill for about 1.5 miles along the graded dirt surface of Old Tiger Road. Please stay to the far right side of the road. Be cautious as this is a public road open to traffic. After 1.5 miles the trail will turn right off Old Tiger Road just **BEFORE** reaching the highway. Look for arrows and a clearly marked gate to your right. **Do not cross the cattle guard and join the highway.** You will run into a wash and pass beneath the highway in a wide cement culvert. **Beware of bolts sticking down from the culvert ceiling above you.** Coming out of the culvert the wash comes to a 'T'. Here 50 mile and 50k runners will part ways, 50 milers turning left and 50K runners turning right. There will be a large sign here directing you which way to go. **50 milers who wish to drop to the 50k must make the decision at this point.**

50 Mile:

Turn left and continue down a short distance down Cherry Valley Wash and turn right on the Arizona Trail.

On your way through OSP to the Kannally Wash aid station (mile 31.8) you will be traversing 1.6 miles of awesome AZT singletrack. At Kannally Wash you will find another well-stocked aid station, drop bags, a port-o-potty and maybe your own personal cheering section. Please consider leaving this aid station with your headlamp/flashlight no matter what time of day.

Leaving Kannally Wash on the Arizona Trail you will go a short distance before turning right onto Wildlife Corridor trail and then left at the top of the road in OSP making your way over to Manzanita trail heading east, and then eventually turning right back onto the AZT. You will pass through a gate while leaving OSP. Just 1/2 mile ahead you will come to paved Webb Road. **Please look both ways and cross cautiously.** The trail continues right across the road and 1.5 miles of very runnable singletrack leads you to

another paved road crossing at Mt. Lemmon Rd. **Please look both ways and cross cautiously.** A few more twists and turns and you will be at the American Flag Trailhead and the southern most aid station (mile 38.5). Here you can meet up with your crew and also pick up a pacer (new for this year!). Leaving the American Flag Ranch aid station, you will head back to the Kannally Wash Aid Station (mile 48.4), retracing your earlier steps.

Back through the Kannally Wash aid station and you are almost done. Here you will continue on the the Arizona Trail. Another 1.6 miles or so will bring you back next to Highway 77 and then left into Cherry Valley Wash. You will be in the wash for roughly 1 mile then turn left onto the Mariposa Trail for just over 1 mile. Another left onto the Bellota Trail and you can probably hear the finish line. You will pop out at a parking area and hang a sharp left down to the finish line.

For maps of the 50 mile course:

http://www.aztrail.org/passages/pass_13.html

http://www.aztrail.org/passages/pass_12.html

50KM:

After crossing beneath Route 77 at about mile 29, you will enter Cherry Valley Wash and **follow the signs marked 50K to the right.** After about one mile you will turn left onto the Mariposa Trail. Another mile and you will turn left onto the Bellota Trail which will pop out at the Group Use parking area and you will make a sharp left down to the finish line at the staging area!

For a map of the 50KM course:

For information on the AZT trail passage you will run:

http://www.aztrail.org/passages/pass_14.html

Course Markings:

Most of both the 50 mile and 50 kilometer races will be run on the Arizona Trail. The mostly single track trail is obvious and marked with carbonite Arizona Trail markers and rock cairns.

The entire course will also be marked with yellow and orange surveyor ribbon and yellow pin flags with the race logo printed on them. All intersections will be marked clearly and you should see a confidence marker about every 1/4 mile or so.

For the 50 mile course beyond Kannally Wash Aid Station (mile 32) to the finish line, the course will be marked with reflective ribbons and markers in addition to pin flags. Certain intersections will be marked with reflective 'X' markers indicating a direction you should not take.

Also, you can check out the great Far Out app available on the Arizona Trail website for your Apple or Android phones. This is a great navigational tool.

<https://aztrail.org/explore/maps/mobile-app/>

Aid Stations:

There will be six well-stocked aid stations for the 50 mile and three for the 50k providing for your needs during the race. Each aid station will be staffed by experienced and cheerful volunteers who have given their time to help ensure that you have a safe and

successful day. Please thank these generous folks along the way!

****The Tucson Wash Aid Station has been added to break up the long stretch between the Mountain View and Tiger Mine aid stations. This is NOT a full aid station and will consist of water and energy drink only.**

****We have gone CUPLESS. Cups will not be provided at our aid stations. Please carry a drinking vessel with you if you plan to partake of drinks along the course. We will have flexible collapsible HydraPak SpeedCups featuring the AZT logo available for purchase at packet pickup for \$3.00.**

50 Mile:

Aid Station Locations	Total Mileage	Segment Mileage	Drop Bags	Crew Access
Start (Freeman Rd. Trailhead)	0	0	See note 1	See note 2
Beehive Well	8.2	8.2	No	No
Mountain View	15.4	7.2	Yes	No
Tucson Wash (Water Only)	23.1	7.7	No	No
Tiger Mine Trailhead	27.7	4.6	Yes	Yes
Kannally Wash 1 Southbound	31.8	4.3	Yes	See note 3
American Flag Ranch (Turnaround & Pacers)	38.5	6	No	Yes
Kannally Wash 2 Northbound	45.4	6	Yes	See note 3
Finish - OSP	50.4	7.2	Yes	Yes

Note 1- Keep your warm clothes on for the ride to the start. We will get them back to the finish line for you. Please put them in a secure clearly marked bag and place them in

the designated area.

Note 2- Crew may drop off runner but **NOT** stay and park. Buses provided to the start from within OSP.

Note 3- Crew will be able to access the Kannally Wash aid station on foot from the race staging area. This will entail a roughly 1 mile hike along a dirt road each way. This access point will be clearly marked at the staging area and can be easily navigated.

50 Kilometer:

Aid Station Locations	Total Mileage	Segment Mileage	Drop Bags	Crew Access
Start (Freeman Road Trailhead)	0	0	See note 1	See note 2
Beehive Well	8.2	8.2	No	No
Mountain View	15.4	7.2	Yes	See note 3
Tucson Wash (Water Only)	23.1	7.7	No	See note 3
Tiger Mine Trailhead	27.7	4.6	Yes	Yes
Finish - OSP	32.2	4.5	Yes	Yes

Note 1- Keep your warm clothes on for the ride to the start. We will get them back to the finish line for you. Please put them in a secure clearly marked bag and place them in the designated area.

Note 2- Crew may drop off runner but **NOT** stay and park. Buses provided to the start from within OSP.

Note 3- There is no crew access at this very remote aid station.

Aid station food:

You can expect to find these staples at all of our aid stations:

Skrtch Labs hydration, plus fruit, PB&J sandwiches, avocado, bean burrito wraps, boiled potatoes, M&Ms (plain and peanut), cookies, potato chips, pretzels, pickles, Coke, ginger ale, Mt Dew, and water.

At Tiger Mine, Kannally Wash and American Flag Ranch, you can expect to find these additional foods: Chicken noodle soup, cheese wraps, bacon and vegetarian broth.

****If you have special dietary needs put those items in your drop bags and or carry them with you.**

Crew/Spectator Driving Directions to Aid Stations:

For the 50K, there is only one aid station, Tiger Mine Trailhead, that can be accessed by crew vehicles outside of Oracle State Park. Please drive slowly and cautiously on Tiger Mine Road as you will be sharing this roadway with the runners and other vehicles.

From the east entrance to the town of Oracle, drive 0.8 miles east on AZ 77 to mile marker 105 and turn left (north) onto Tiger Mine Road. After 1.5 miles on this road, you'll see an unmistakable Arizona Trail gateway on the left (north) side of the road. Parking is available on either side of the road.

For the 50M, there are two aid stations for crew access by vehicle. First is the Tiger Mine Aid Station at mile 27.4 as detailed above. Second, is the American Flag Aid Station at mile 38.5.

Directions from Oracle State Park to American Flag Arizona Trail - Trailhead / American Flag Ranch:

Head southeast on Wildlife Dr. At exit to Oracle State Park, Turn left onto E Mt Lemmon Hwy for 2.7 mi

Turn right onto American Flag Ranch Rd. The Trailhead and Aid Station will be straight in front of you. Please park on the right side of the road only.

Pacers:

Pacers are allowed for the 50M event only.

- 1) Email the race director at oraclerd@aztrail.org prior to Jan 15, 2025 with your intent to have a pacer and include the pacer's name and email address.
- 2) Pacers may only pick up their runner at the American Flag Ranch (AF) Aid Station at mile 38.5.
- 3) Pacers should get dropped off at the AF aid station. Pacers may choose to drive out to AF and park their car, but they will need to make arrangements to get back to their car after the race. Once pacers arrive at AF they must check in, sign a waiver, provide emergency contact info, and pick up their pacer bib. All of this must be done prior to when the pacer leaves the aid station with their runner.
- 4) Pacers may not carry any items for their runner so as to not obtain an unfair

advantage over another competitor.

- 5) Pacers must have a headlamp.
- 6) Pacers should carry their own cup, just as the competitors do.
- 7) Pacers are free to partake in any aid station fare.
- 8) Failure to comply with any of these rules is grounds for immediate disqualification at the discretion of an Aid Station Captain or the Race Director.

Drop Bags:

• **ALL DROP BAGS MUST BE COMPACT (*smaller than a regular backpack*), securely tied and labeled clearly with the runner's name, desired aid station initials AND BIB NUMBER. PLEASE DO NOT PUT YOUR PHONE NUMBER OR OTHER EXTRANEOUS INFORMATION ON YOUR DROP BAG.**

- Drop bags will be transported by race personnel to three designated aid stations on the course, Mountain View (MV)(mile 15.4), Tiger Mine (TM)(27.8) and Kannally Wash (KW) (mile 31.8 and mile 45.4). There will be a clearly marked area in which to leave these at the staging area in OSP before boarding the buses.
- We will also take drop bags from the start line back to the finish line on race morning. So keep your warm clothes on for the ride to the start. We will get them back to the finish line for you. Please put them in a secure clearly marked bag.
- If you are being dropped off at the Freeman Road Trailhead by your crew and are bypassing packet pick up we will not be able to get your drop bags to the aid stations for you. The only way they will get to our remote aid stations is if you leave them at packet pick up on Friday or at our race staging area in Oracle State Park on race morning.
- Drop bags can either be left at Friday packet pickup or at the designated area by 5:40am race morning before you board the buses. Please place your drop bags in the appropriate pile so they arrive at the correct aid station on race day.
- Sunset will be at 5:49pm. **You are required to have a headlamp in your drop bag at the Kannally Wash aid station (mile 31.8 & 45.2).** Aid Station workers may require you to leave the Kannally Wash aid station with your headlamp either on your way southbound or northbound depending upon the time in which you arrive at the aid station.
- The temperatures will drop quickly once the sun goes down. Make sure that you take this into account when planning for race day and pack some warm clothes in your drop bags.
- Do not leave valuable or fragile items in your drop bags.
- Drop bags will be returned to the finish line. And every effort will be made to get them back in a timely manner. Look for drop bags to arrive back to the same area that you

left them before boarding the bus. Drop bags will not be mailed.

- Drop bags will be available for pickup at Summit Hut after the race.
- We will have a signed area where you can leave a finish line drop bag if you would like to have something there for when you complete the race.

**** Race management is not responsible for the loss or damage of any drop bags.**

Race Cutoff Times:

50 Mile:

The 50 mile will have a 15 hour finishing time cut off with four cut offs at aid stations throughout the day. **Remember you MUST leave an aid station BEFORE the cut off time or you will be pulled from the course.**

Aid Station	Total Mileage	Cut Off Time	Total Run Time
Tiger Mine Trailhead	27.7	3:30pm	8 hours
Kannally Wash 1 Southbound	31.8	4:40pm	9 hours 10 min
American Flag Ranch	38.5	6:40pm	11 hours 10 min
Kannally Wash 2 Northbound	45.2	8:45pm	13 hours 15 min
Finish - OSP	50.4	10:30pm	15 hours

50 Kilometer:

The 50K race will have only one cut off on the course with a 11 hour finish line cut off. All 50 kilometer runners must leave Tiger Mine Trailhead 4:00pm.

Aid Station Location	Total Mileage	Cut Off Time	Total Run Time
Tiger Mine Trailhead	27.7	4:00pm	8 hours 30 min
Finish - OSP	32.2	6:30pm	11 hours

* 50K runners that leave Tiger Mine Aid Station at or after 3:45 will be required to have a headlamp or flashlight.

Dropping Out or Dropping Down in Distance:

If you are unable to finish the race you **MUST** immediately notify the appropriate race personnel at an aid station or finish line. **Do not leave the race without letting us know** as this may result in a great deal of time, energy and money spent searching for you to ensure you are safe and unharmed.

Runners may drop at any aid station along the course except Tucson Wash BUT IT IS VERY STRONGLY RECOMMENDED YOU DO NOT DROP PRIOR TO TIGER MINE. This is because the Beehive Well and Mountain View aid stations are very remote with extremely limited access. If you drop at either of these two aid stations you will most likely have to wait until Beehive Well and Mountain View aid stations close down before getting a ride out and back to Oracle State Park.

If you decide to drop down from the 50M to the 50K prior to race day we can gladly accommodate you and switch your entry. If you decide to switch after starting the race you **MUST** do so once you cross under Highway 77 and into OSP where it will be very clearly marked that 50K runners must turn right and the 50M runners must turn left. If you do switch on the fly as described above you must inform the finish line captain and race timer of your decision immediately after crossing the finish line. Anyone dropping down to the shorter distance will not be eligible for the top finisher award.

Anyone who comes into OSP and turns left to continue on the 50M course is no longer eligible for a 50K finish.

Course Safety:

Much of this course is very remote. That being said we are so grateful to the group of experienced trail and ultra runners who have offered their time to sweep every mile of our long courses. Each section of the course will be swept by a team of two who will stay behind the last runner making sure they safely make it to the next aid station.

Ham Radio operators will be at each aid station. They will be there to help us keep track of everyone out on this remote course. It is very important that you check in and

out of each aid station so that this information can be passed on down the line.

No aid station will be closed until the very last runner gets there. Sweeps and ham radio volunteers will help ensure that we keep track of everyone. Even if you miss a cutoff we will be waiting for you at that next aid station. No matter what!

Tips for staying on course:

1. Most of the course is on the Arizona Trail (AZT). You should see a course marking roughly every quarter mile. If you think you have gotten off course, return to the last point where you saw a course marking and continue.
2. Download and use the .gpx course maps.
3. Load the AZT maps into an app on your phone (there is an app available at azt.org).
4. Make sure you have your phone with you, that it is fully charged, and that you have location services turned on.

Weather and Terrain:

In January, the average high temperature is 56 °F (13 °C) with a low of 35 °F (2 °C). At an altitude of 4,100 feet Oracle's vegetation consists of mostly emory oak (*Quercus emoryi*), desert spoon (*Dasyllirion wheeleri*), soaptree yucca (*Yucca elata*), prickly pear (*Opuntia*) and various grasses. There are no major ascents or descents in any of the courses but almost all of the trails are rolling.

Race Day - Daylight Hours:

Sunrise: 7:22 am

Sunset: 5:50 pm

Awards:

Every finisher will receive a unique horseshoe award for making it across the finish line!

There will only be special awards for the top 3 male and female finishers in each race. No age group awards.
